

What is Preferred First Name?

Some CT State Connecticut Community College students are known by a first name that is different from their legal first name. This form will change the applicant's first name on institutional documents and records as allowed by law (excludes official documents such as credentials and transcripts.) Documents and records that may display a preferred or used name include course rosters, identification cards, email addresses, and honors, awards and prizes issued by the institution. Include hyphens, apostrophes, commas, periods, and spaces. Other special symbols cannot be entered onto your records.
