

## Textbook Assistance Program (TAP)

CT State Community College Norwalk campus has a limited amount of funds available to students who are facing financial hardships and cannot afford to rent or purchase their textbooks.

Students must submit a completed Textbook Assistance Application for the request to be considered.

Textbook assistance is provided based on the availability of funds.

### Important Information (Please read thoroughly before filling out application)

- Students must have a current year FAFSA on file to determine Financial Need.
- Students must be registered for the semester in which they are requesting textbook assistance. Course registration will be verified after completion of a TAP application.
- Students may submit only one application each semester; the application may contain only textbooks required for the classes being taken that semester. **Unfortunately, textbook assistance for a repeated course will not be approved.**
- ***NEW: Beginning Spring 2025, priority will be given to those who have not received this scholarship before.***
- If a rental or digital version of the textbook is available we strongly encourage you to receive that version of the textbook.
- Applications will be available through the first two week of classes- or until funds are exhausted, whichever comes first.
- Students are required to write a statement (80-word minimum) to explain the financial barrier(s) preventing them from purchasing required books and to discuss how the book grant will help them achieve their educational goals.

If the application is approved, students can receive up to **\$500** for textbooks (new, used or rentals) at the Follett Bookstore on the East campus. Students can maximize their award by using the book rental option (the student is responsible for following all book rental program guidelines).

### **Other Textbook Resources**

The CT State Community College Norwalk campus library provides access to textbooks (some available online), supplementary readings, video, audio and other materials that have been placed on reserve by faculty. Students with a valid student ID may borrow reserve items to use inside the library for a 90-minute period. Reserve items are non-

circulating, which means they cannot be taken out of the library. For more information visit the Library on the 1<sup>st</sup> floor of the East Campus, Call: 203-857-7200 or Chat: library.ctstate.edu/Norwalk.
