Important Finals Week Information

- **Unless otherwise noted, the Finals Week period must be utilized for an activity or assessment, such as an exam, a project, a portfolio review or return, a presentation, etc.. This includes online courses. Finals Week is used to meet to minimum instructional hours of the course.**
- *All attempts have been made to ensure there are minimal conflicts between Finals class time periods. You will notice that not all Finals start times align with class start times. This was done in an effort to avoid instructor, student, and room conflicts. Typically, the staggered Finals time will be no more than +/-30 minutes from the traditional start time.
- Select **science labs** may opt out of Finals Week and have added additional time to class periods leading up to Finals Week. Students: Please refer to your syllabus and/or your instructor to confirm whether your section will meet during Finals Week.
- **Finals Week by Instructional Method:**
 - **TRAD:** Held in the regularly scheduled rooms per timetable, unless otherwise noted.
 - **LRON:** Faculty may have scheduled or timed online Finals.
 - **ONLN:** Finals will be held online during Finals Week.
 - **HYBR:** Instructors may opt to meet in person during the Finals Week or conduct the Finals Week period online during Finals Week.
 - **OLCR:** Finals may be held in-person. Class schedule will specify date and classroom.
- **Students:** Please double check with your instructor on the date of the final assessment or activity, especially for classes that utilize portfolios, labs, internships, special projects, productions, or activities.
- Students must take the first two exams scheduled on any one day. If a third exam is scheduled on the same day, contact your instructor to make other arrangements. All exams will meet in the regularly scheduled room, unless otherwise noted by the instructor/syllabus.
- **Make-Up Day:** An additional day is reserved as a “make-up” day in the event your campus is closed for inclement weather or emergency on one of the Finals Week dates. Instructors whose final has been disrupted may opt to reschedule their final to the “make-up” day OR opt for alternative assessment methods such as take-home exams, online quizzes, extended deadlines for existing assignments, project-based assessments, or a combination of these options. If the instructor chooses to utilize the “make-up” final day, they will be given one additional calendar day to submit final grades.

For any questions, please reach out to your Campus Dean of Students & Faculty/Campus Dean of Faculty Office.
