

## INTERNATIONAL or NON-INTERNATIONAL ADMISSION APPLICATION?

Before you start the international student application process at CT State, we need to make sure you fit in the **international applicant** category. Please review the two options below to determine whether you should apply as international or non-international:

### INTERNATIONAL APPLICATION

- I will be applying for the F1 student visa abroad:  
  
Yes                      No
  
- I have a valid (unexpired) visa (B1/B2, J1/J2, F2, etc.) and wish to change my status to F1:  
  
Yes                      No
  
- I am in F1 status with another college/university, my I-20 is ACTIVE, and I wish to transfer to CT STATE:  
  
Yes                      No

**If you have answered YES to ANY of the questions above, you will be applying as INTERNATIONAL.**

### NON-INTERNATIONAL APPLICATION

- I was born in a foreign country, but I am a US citizen:  
  
Yes                      No
  
- I am a permanent resident (green card holder) OR in the process of applying:  
  
Yes                      No
  
- I am undocumented (have no visa or any other status):  
  
Yes                      No
  
- I am a refugee/asylee:  
  
Yes                      No
  
- I have another valid (unexpired) visa (J1/J2, B1/B2, H1B, H4, etc.) but do not wish to change it to F-1 student status:  
  
Yes                      No
  
- I am in F-1 status with an active I-20 from another school but only want to take some classes at CT STATE as a “non-degree” student and won’t be transferring my I-20:  
  
Yes                      No

**If you have answered YES to ANY of the questions above, you will apply for REGULAR admission and choose the following option: “DOES NOT FIT INTO ONE OF THESE CATEGORIES” in the visa/citizenship section. Otherwise, you will be asked to submit additional documents that are not necessary for you to be accepted that will delay your application (everyone is accepted no matter what the status!)**
